Dear Raewyn,

On behalf of the Auckland Trotting Club Board, Chairman and Committee of Franklin Park I would like to thank The Vet Centre for their support of the Yearling Parade held at the Franklin Park Training Centre on Saturday 27 July 2019.

We had a great turnout of 20 yearlings for the parade this year and the standard that they were presented in was awesome as well as their manners being excellent for young racehorses.

With fine weather for the day there was a pleasing turn-out of spectators that came along to watch these superb young horses going through their paces.

The recipient of the "The Vet Centre" Pacing Colt / Gelding voucher was "Bondi Shake" who is trained by Ray Green for the Lincoln Farms team who are great supporters of this Annual event.

Once again many thanks for your support of the Yearling Parade and we are aiming for another awesome event next year.

Yours sincerely,

Karen Blanchard
